## Welcome to October

Wow - Six weeks into the school year and things are already moving at lightning speed. Before long, we will be gearing up for progress reports!!!!

### Safe Arrival

Just a reminder that Parents/ Guardians are asked to phone the school at 468-7570 option 1 to inform us of your child's absence or lateness and if possible provide details concerning the time and date your child is expected to return. If we do not hear from you and your child is not at school the home, work and/or emergency phone numbers will be contacted to determine where your child is.

### Appropriate Dress

Although the weather is still cooperating with us now- it is only a matter of time before it starts to turn cold . Students are reminded to wear appropriate clothing for both cold and rainy weather. Students will be expected to go outside at nutrition breaks unless it is pouring down rain.
